Other MVEST team members and residents present: Judi Purdom, Ellen Jane Schulz

Approval of Agenda

The agenda was approved.

Public Comment

None.

Consent Calendar

Minutes of the November 2 meeting were approved.

Reports

Coronavirus

No change. That is, as far as we know, Marin Valley remains Covid-free, which is likely a direct result of residents and visitors adhering to local and state health care directives, mainly wearing masks – correctly – and maintaining social distance. As the weather has cooled, activities have moved indoors, and we plan for the holidays, we all need to be even more cautious than ever, despite the fact that we may be experiencing “pandemic fatigue.”

Air Quality Monitoring

No report.

Firewise

No report.

### Park Security

Kevin continues to monitor the area in and around the Park, and he has noticed no new camping activity lately. As always, Park residents are asked to be vigilant and report any suspicious goings-on to Matt Greenberg. Kevin will clarify with Matt the procedures for residents to use in different situations, and this information will be put in the *Echo*.

Kevin reported that the abandoned campsite near the Park entrance has been removed by Novato Public Works.

### Marin County Firewise/FIRESafe Marin

John H. reminded the committee that there is a link to Marin Valley's website on the FIRESafe Marin website. The link is <https://www.firesafemarin.org/marin-sites/142-marin-valley-mobile-country-club>.

John H. also reminded the committee about the FIRESafeMarin webinar via Zoom on Tuesday, November 17 at 6:00 p.m. Called "Home Hardening," the link is <https://firesafemarin.zoom.us/j/87382415962>. If the Zoom call is at capacity, it can be viewed in real time on Facebook. It will be available for viewing after the event on the FIRESafe Marin website and also on our website, [www.marinvalley.net](http://www.marinvalley.net).

John H. reported that there will be a FIRESafe Marin Board meeting at 9:00 a.m. on Friday, November 13, followed at 11:00 a.m. by a Firewise Community leaders meeting. All are invited.

### EyeOn App

Resident Steve Wozenski has informed this committee about this application, which costs \$3. It allows users to create check-ins on their smartphone or tablet, and it will signal for help if they don't respond. Members of the committee will conduct a trial of the app to help decide whether MVEST is disposed to widely recommend it to Park residents. Recipients of these minutes are encouraged to test the app and give feedback to this committee to help in this process.

### Novato Fire District

No report.

### Echo Articles

Pam has written an article about pets and Covid-19.

Bill's list of local Covid testing sites will be included in the next issue, along with further information and explanation by John F.

Bill has also written another article which relates to Covid.

### [www.marinvalley.net](http://www.marinvalley.net)

Erma has been maintaining the website by further organizing and neatening it, making things easier to find. She would like to enlist the help of anyone else who is so inclined; please contact her.

### Old Business

Carol-Joy reported that according to the head of the Mar Val Greeting Committee, KC Casey, when new residents are greeted, they are given a copy of the MVEST brochure. Bill suggested that members of this committee follow up with a phone call. All agreed.

### New Business

None.

### Next Meeting

Monday, November 16 at 5:00 p.m. via Zoom teleconferencing.

Residents who are not on this committee who would like to attend, please contact John Hansen so that he may send you an agenda, which includes an email invitation to join the call via your computer or phone.

Respectfully submitted,  
Carol-Joy Harris  
Recording Secretary
